

CONTINUING TO BUILD THE FOUNDATION FOR CHAMPIONSHIPS

“The Chadron State Team Camp is one of the top camps of its kind in the nation.

Our players get individual instruction from one of the top Division II staffs in the nation, we get the opportunity to jump start our summer by installing our offensive and defensive packages during the team sessions and the competition is outstanding. CSC Team Camp is our “spring football” opportunity and is a critical piece to our summer preparation every year. Coach O’Boyle and his staff do an outstanding job, the accommodations are tremendous and the team building experience for our staff and players has been second to none. I would recommend the CSC Team Camp to any program.”

*Jeff Tomlin, Grand Island Senior High
Grand Island, NE*

“The Chadron State Full Contact Camp has been a springboard for our upcoming season for the past 5 years. In those five years, we have had a runner-up finish, a semifinal appearance and the last 3 straight state titles in class 3A. The CSC staff does a great job of breaking the positions up so every player gets attention in their individual sessions, and the team time that we receive at the camp has been invaluable to the success of our program. Not only does our Varsity team get great competition, but the CSC staff accommodates our JV and Freshman teams by setting up scrimmages for them as well.”

*Jay Rhoades, Douglas High School
Douglas, WY*

“The Chadron State staff does an outstanding job of giving your kids a great jump start on the season. I have brought my team to the team camp since it started in the 1990s. It has remained a huge boost to our program, and our kids can’t wait to go back every year. Your kids will become better football players by attending the CSC camp.”

*Mike Speirs, Howells High School
- 9 State Championships - Howells, NE*

RMAC CHAMPIONS

BUILDING THE FOUNDATION FOR CHAMPIONSHIPS

As one of the most successful programs in Division II and the Rocky Mountain Athletic Conference, Chadron State College competes for championships each year.

The Eagles have won over 77 percent of their games in the last 11 years and reached the NCAA Division II playoffs five times during that stretch. They've also claimed five RMAC titles and compiled back-to-back perfect regular seasons in 2006 and 2007.

Chadron State's record of 95-28 in the last 11 years ranks them as one of the top 10 teams in all of Division II during that span.

In fact, out of 134 Top 25 polls in the 2000s, Chadron State was ranked 86 weeks.

Chadron State has produced a two-time Harlon Hill Trophy winner, 86 All-Americans and over 210 all-conference selections.

We invite you and your teammates to attend CSC's summer football camp so you will have a chance to experience the tradition at Chadron State, and benefit from the professional and talented coaching staff.

Fundamentals of the game will be stressed, as well as strength and conditioning, and you'll be exposed to Chadron State's exciting offensive and defensive strategies.

"The coaching staff at Chadron State did an excellent job of not only teaching our players many valuable fundamentals and drill work, but also our coaching staff," said Bob Shafer, the coach at Hoehne High School in Trinidad, Colorado. "The techniques and fundamentals from the camp drills we implemented into our system led us to a state championship this season. The scrimmages allowed our JV and Varsity teams to compete with teams across the Midwest at their skill levels with the opportunities to succeed and improve every day."

TEAM CAMP INFORMATION

FEATURES

The Chadron State football staff is very excited to offer its 16th annual full-contact team football camp. These camps have proved to be very successful with nearly every participating high school expressing a great interest in returning. **Due to strong interest from participating high schools and teams that wish to come, we are limiting each session to 14-16 teams.** In order to give the quality individual attention that Chadron State football camp is known for, it is imperative that we keep our numbers compatible to our facilities and staff. We take extreme pride in our individual attention to each and every camper.

Not only will the campers enhance their individual skills, they will also be able to apply their techniques in a team atmosphere. High school staffs are allowed to work with their teams three times a day to incorporate their own schemes. Each team will play two games in the evening and two JV games against opposing camp teams. If for any reason a school cannot bring an entire team or an individual would like to attend by himself, please inform our staff and we will fit them in.

Please don't delay in your response.

BENEFITS

- * One-on-one instruction by the coaching staff
- * Availability of weight facility and workout time
- * Flexibility, agility and form running instruction
- * Opportunity for coaches to gain valuable practice time with team
- * Campers covered by 24-hour insurance program
- * Eagles football T-shirt
- * Air conditioned housing and food service
