CHADRON STATE COLLEGE: A CENTURY OF SERVICE

Since the first class convened in June 1911, Chadron State College has been an institution of opportunity for thousands of students. Be among the first to own the book that chronicles Chadron State's remarkable rise from a one-building operation on the outskirts of town to an integral part of educating the citizenry of the High Plains. Written by Con Marshall and featuring timeless photographs, the book will provide a detailed account of the institution's first century of service. This definitive history book of Chadron State is scheduled for distribution in early summer 2011.
