The

Social Work Program periodically offers elective courses depending upon available resources and administrative approval. Elective courses are available to all students on campus and may be offered to students at distant sites via Interactive Distance Learning and or may be offered as hybrid courses, combining face to face contacts with online discussions. Courses considered beneficial by faculty will be recommended though not required. For example, students are strongly encouraged to take Psychology 435 Theories of Personality and SW 331 Services to Children and Families (3) prior to entering the Professional Social Work Program.

Children and Family Services (3 credits)

American Sub-cultures (1-3 credits)
