Brenda said she had spoken to Shellie Johns about workshops she has scheduled and would like some ideas for others. Ideas were bulk mail, grant writing, customer service, and new staff training.

The Caring and Sharing Committee was set up for November. Those volunteering were Janet Hartman, Pam Anderson, Pat Mracek, and Kathy Stokey.

Shar Sapp explained the process for the getting a new phone list, she did not know when it would be ready to send to everyone.

There was some discussion about changing the meeting time. Janet Hartman motioned to try 8:00 a.m. for the next three months, Kristol Cummings seconded and the motion carried.
The program was given by Shar Sapp, Janet Hartman, Brenda Brown, Kristol Cummings and Angie Camerlink on a workshop they attended in Rapid City. The workshop cost each department $89 and CSAA paid $100 of the cost. All agreed that they enjoyed it.

Val Malone asked for copies of the e-mail to be put in custodians mailboxes for meeting notices. Pat Mracek will take care of that.

The meeting was adjourned.
