

Chadron State College Master Business Administration

Program Overview

The high-performance MBA is offered in an accelerated format for rapid program completion. **Each semester, five of the required courses will be offered: three courses in the first 8 weeks of the semester, two courses in the second 8 weeks. All required courses will be offered each academic year.** Students entering the program must complete Common Professional Component equivalencies (CPC) in Accounting, Finance, Economics, Management, Marketing, Quantitative Techniques, and Computer Literacy. CPC requirements may be met through relevant leadership and/or work experience, through course challenge, CLEP, Prior Learning Credit, or appropriate preparatory coursework.

Program Features

- Designed for supervisory and mid-level managers.
- All coursework is online.
- The MBA is accredited by the Association of Collegiate Business Schools and Programs (ACBSP).
- Each online course offers an “interactive” component achieved through face to face meetings, conference call, or other means.
- MBA students can choose 9 hours of industry specific focus studies from specific coursework, internship, thesis or special project, or a combination of these learning modalities.
