

# **NEBRASKA STATE COLLEGE SYSTEM**

## **DIRECTOR OF SYSTEMWIDE ACCOUNTING**

The Nebraska State College System (NSCS) System Office invites applications for the position of Director of Systemwide Accounting. The position reports directly to the Vice Chancellor for Finance and Administration and is an integral part of the System Office staff.

The Director of Systemwide Accounting will work closely with the Colleges' lead accountants related to annual financial statement preparation and the use of the accounting systems. The Director will lead periodic meetings with College accounting staff and provide support and direction during audit visits at the Colleges. This position, in coordination with the College lead accountants, will be responsible for making recommendations to the NSCS Council of Business Officers related to internal controls and will conduct reviews to assure compliance with internal control policies. The Director of Systemwide Accounting will also prepare consolidated systemwide financial statements and prepare and/or review periodic financial reports provided to the Board of Trustees.

The Director of Systemwide Accounting should possess a Bachelor's degree in Accounting or a related field and have a minimum of 5 years' experience in public sector accounting or auditing. The ideal candidate will be a CPA and/or have significant accounting or auditing experience in Nebraska public higher education. This position will require travel to the three State Colleges, and will include overnight stays.

Salary is commensurate with experience and an excellent benefit package is provided.

Applications will be accepted until the position is filled with the initial review commencing February 27, 2012.

Applicants are invited to submit a letter of interest, resume and the names and telephone numbers of three professional references to:
