

CHADRON STATE COLLEGE

April 1, 2020

Dear Students, Faculty, and Staff,

Due to the COVID-19 pandemic and in support of the current State of Nebraska Directed Health Measures in effect until May, 11, 2020 for the Nebraska Panhandle, Chadron State College will need to postpone Spring Commencement scheduled for May 9, 2020.

Commencement is an important celebration for our graduates and their families and we will work to find a date this summer that allows the continuation of this time honored tradition.

I hope this communication finds you and your family members well. More information about the re-scheduling of commencement will be available later this spring.

Take care and be well,

Randy Rhine
President
