

CHADRON STATE COLLEGE

Dear Students,

As you are all aware, all Chadron State College courses will be delivered remotely beginning Monday, March 23, 2020. There will likely be a learning curve involved for all of us, particularly faculty who are working to develop remote courses and students who will be in courses that look different than the ones they had a few weeks ago. Although the course delivery has changed, you will need to make sure you actively participate in your courses that begin Monday to avoid any financial aid consequences.

If you are unable to complete the course by the remote delivery mode chosen by your professor, please email Jonni Dinstel at jdinstel@csc.edu. Please email her with the issues you are encountering, and she will review each request and the appropriate person will respond to you as quickly as possible. Please be patient with this process.

Thank you for your cooperation. For any questions about financial aid, please email the START Office at start@csc.edu.

Thank you,

Sherry Douglas
