

CHADRON STATE COLLEGE

Dear Resident,

The Housing and Residence Life Office would like to offer further guidance following Chadron State College's transition to remote delivery. At this time, campus remains open and residence halls and food service are still available. If you plan to reside in the residence halls for the remainder of the semester or part of the semester, please email cschousing@csc.edu, even if you already have previously. We want to know who is around in case of emergencies and also how much food to prepare.

If a student has received guidance from the Panhandle Public Health Department to self-isolate, please notify Housing & Residence Life staff. Specific suites have been identified in specific residence halls for this purpose. Remaining students should limit time spent in common areas, laundry facilities, computer labs, and recreation areas as much as possible.

Students and their family/friends returning to campus to retrieve property and check out should do so in a calm and orderly manner. College staff will remain on duty throughout the residence halls, but please utilize posted phone numbers. Specific check-out instructions will be posted throughout the residence halls. It is encouraged that any student not planning to return to the residence halls remove all property from their space so the college can begin its sanitizing efforts. Housing and Residence Life staff are coordinating additional sanitation efforts in conjunction with Maintenance and Custodial staff. Trash chutes and trash rooms will remain locked to protect College staff. All waste should be taken to exterior dumpsters.

Students unable to return for their property will not be penalized, but property may be moved to storage and/or discarded at the discretion of Housing and Residence Life staff following the completion of the spring 2020 semester.

Meal plans may be utilized at the Dining Room of the Student Center and will be served in to-go containers to encourage social distancing. Meals will be served from 8 to 10 a.m., 11 a.m. to 1 p.m., and 4 to 6 p.m.

Counseling services are still available on an as-needed basis and emergency response protocols will still be observed.

Thank you for your patience. If you have any questions, please contact the Housing Office.

Sincerely,

Austen Stephens
