# CSC Canceling Events Until April 14

Dear Campus,

Effective immediately, Chadron State College is canceling all scheduled events until Tuesday, April 14, 2020. This social distancing includes any events sponsored by CSC that are open to students, employees, and the general public that occur on or off campus. These events include public demonstrations, campus visits or campus showcases, speaking engagements or public lectures, and intramural or group fit activities. A determination about CSC events occurring after April 14 will be announced no later than April 1.

If you have any questions about your event, please contact Conferencing at 308-432-6380 or the individual responsible for scheduling your event. If CSC or student committees wish to meet, they must occur virtually. For assistance, please contact Information Technology at 308-432-6311 or [helpdesk@csc.edu](mailto:helpdesk@csc.edu).
