Title IX Information for Students

Dear Students,

Even though many of you are moving off-campus, and the college has transitioned to remote delivery, please know that Chadron State College remains committed to providing an environment free from unlawful discrimination, harassment, or violence, and our Title IX policies remain in effect.

The health and safety of our campus community remains a priority. Students, whether living on or off-campus, are encouraged to report any incidents of sexual violence and sex harassment to Title IX Coordinator Ted Tewahade by emailing titleixcoordinator@csc.edu or calling 308-430-0980. Ted will meet with you to discuss your concerns via telephone or video conferencing, depending upon your individual circumstances, and assist you with connecting to campus or community resources.
