

Identity Theft Assistance Services

From a lost wallet to full-on credit card fraud, having your personal information compromised is stressful. Our risk management specialists are trained and certified to help restore your peace of mind, and the good name you've worked hard to achieve. We can guide you, or your family member, through the resolution process with understanding and common sense. We hope you never need us – but we're here if you do!

The certified risk management specialists* can assist you with:

- Accessing the scope of suspected or actual fraud
- Putting you in contact with law enforcement or local governmental agencies as necessary
- Filing the Identity Theft Victim's Complaint and Affidavit
- Assisting with credit bureau fraud alerts
- Guiding you through the resolution process

You will receive complete documentation for your records and continued follow-up and ongoing support as needed.

Call us toll-free 24/7 at 855.860.3727
